

# TWIN RIVERS GOLF COURSE

Matt is starting a junior golf academy at Twin Rivers Golf Course with the sole purpose of providing the very best **ability level specific** instruction and opportunities possible for any age junior player. The primary purpose and focus of the program is to motivate and keep players actively participating in golf activities for the long term by providing quality instruction relevant to their ability level. The quality of instruction provided will be the very best you will find from any program.... guaranteed!

Matt Campbell has been dedicated to promoting and growing junior golf in the Snoqualmie Valley and Pacific Northwest for almost (30) years. Matt has had a lifelong passion for teaching the game of golf and developing the skills with his students that can be used for a lifetime on and off the golf course. Matt has been recognized as the PNWPGA Section "Junior Golf Leader" on two occasions for his contributions to the game.

There will be a summer and fall session for the remainder of 2018. The (Beginner/Novice) level program is broken into two age groups; (5-9) and (10-17). The (Intermediate) ability level is not age specific but by ability level. The concept is to provide **ability level specific** instruction for all junior golfers. The concept being as student's complete sessions and become more "golf aware and competent" there will be opportunities to progress through the different ability level sessions offered for all stages of development. Programs offered to the academy members will range in ability levels from a novice beginner to the highly competitive tournament player and everything in between. This program will focus on the quality of instruction offered unlike most junior golf programs that are more concerned with the quantity of participants.

**SUMMER** **Summer 2018 Session**  
**(Beginner/Novice Level)**  
**Ages (5-9) Session will run from 2:00 - 3:15**
